Porn Stars Who Refuse To Fuck? That's Fucked Up!

Hey, Mary, had to tell you I loved that fucking story you guys did on the XXX broads who won't give it up (***SWANK*** July 2006). You know, I watch a lot of porn DVDs, and now that your feature story on these chicks pointed it out, yeah, I see all these fucking babes all the time who only do other girls, won't take it up the ass, or will only one screw one dude over and over again. And that sucks! And I appreciate ***SWANK*** explaining what this is all about. I am writing a letter to my congressman right now about it, because I think I speak for a lot of porn fans when I say a porn star ain't a porn star unless she is willing to do it all with anyone! Thanks again, ***SWANK*** for having the balls to tell it like it is!

Jerry W.
Easton, PA

MARY: *Thanks for your kind words, Jerry, and I have to tell you we are getting a ton of mail from readers about that story and it is running like 20-1 with them all saying the same things you do! Of course, as a porn actress myself who has gone through a number of the situations described in that article—I used to do just girls, I used to just fuck my then-boyfriend etc.—to now, where I am happily doing hardcore with anyone I like for my new contract producer Legend Video, I can see all sides to the story. But I do agree with you and most porn dudes, you want to see your favorite porn stars do it all, so by all means, write your congress person, and complain! Tell them you want it all and you want it now—just like I do!*

More Pussy-On-Pussy PLEASE!

I don't know how many of your readers feel the way I do, but for me, I would much rather see two girls getting it on, than a girl and a guy. I mean, I don't want to see anyone else's cock anytime, anywhere, but my own! Which is why I was so happy with your July 2006 ***SWANK*** edition where you had two XXX-ceptional lesbo layouts, Holly and Penny, and Kate and Bridgette. Man! What a foursome of cum-producing perfection! When I see pairs of girls like that getting it on, all I have to do is close my eyes, imagine I am in between their legs with them, and I cum and cum hard! So get rid of the cocks from your magazine, and add more pussy please!

Pervis D.
New Orleans, LA

MARY: *I'm with you, Pervis! If there is anything prettier than seeing two real pretty lipstick lesbos going it, I don't know what it is! Lucky for lezzie-lovers like you and me getting hot porn stars, strippers, and nude models to do hardcore girl-girl for our cameras is a piece of carnal cake. While a lot of chicks may not do a guy, it is very rare to find a girl that won't do another girl—at least in the XXX planet I live on! So look for lots and lots more girly-girly hot action in every issue of* ***SWANK****—isn't that fucking fantastic!*

Likes It Kinky

Mary, love you, love pussy, and love ***SWANK***! I have really noticed since you came on board the magazine is getting more interesting, more daring, and most exciting to me, more kinky. While I love to fuck and get sucked just as much as the next horndog, I do like a little variety now and then. I am not talking about going homo, because I ain't no homo—not that there's anything wrong with. But I am talking about stuff like your layout in the ***SWANK*** July 2006 with Lauro and Gina Blonde, where they get into some foot fetish action. This really turned me on when I read the mag at my office, and I had a boner all day at work before I came home and masturbated. I think you should keep on this trend, doing things more kinky. What do you think?

Larry S.
Lansing, MI

MARY: *I think you and I think a lot alike Larry! As a gal who likes to fuck, and suck—make that, loves to suck and fuck!—I also am down with a little experimentation as well. To-sucking, dildo-wearing, panty-sniffing, leather-licking—I say, bring it all on! For sure dude, future issues of* ***SWANK*** *will continue to push the erotic-envelope, looking for the kinkiest ways to turn our readers on and get you off. And at the same time, let me give you a little teaser, keep your eyes on my new XXX hardcore movies as well, as I plan to get somewhere more wild there as well!*

Being The X-Rated Best

Mary, you certainly are the XXX bomb! Damn girl, how is that you get to be so fine, when there are so many chicks out there that try so hard to be hot, but are not! What's your secret for being so incredible? Something you eat? Something you drink? Special exercises? Give it up, Mary!

Warren E.
Fort Lee, NJ

got run out of Eastern Europe all of a sudden lots of gorgeous European broads starting flooding into the US porn business. I happen to be an American who loves Asian babes, and was wonder if a big influx of Red Chinese chicks could be expected over here anytime soon, and if you would be doing any sex scene with them if they do?

Ray D.
Covina, CA

13897

MARY: *Well, don't get your cock-stick in an uproar just yet Ray, but the fact is that the next tidal wave of new poon in American porn just may be from China. As you correctly point out, changes in various governments around the world often have the unintended cunt-sequences of unleashing long-smoldering XXX passions, with formerly jailed up and repressed babes being let loose to make first-time fuck flicks. Until the communist regimes of places like Hungary, the Chech Republic, and Russia fell, no girls from those places did X—they simple could not get out of the cunt-ry. But now they are all over the place. And China looks to be the next to fall to the proverbial fornicative fork. While there have been no hot young Chinese aspiring porno babes that have been able to get to the US as of yet, the relaxing of relations between our two nations, plus ongoing internal dissent within China, makes it ripe for some kind of massive liberalization of travel and immigration in the next few years. And when that happens, you can indeed X-pect boatloads of horny just-18 Chinese chicks cumming to Los Angeles to seek fame and fortune, and for sure, I will fuck as many of them as I can, because I agree with you, Ray, they are cute as hell!* □

MARY: *What a nice letter, Warren! Thank you so much for your nice compliments! The best way to man's heart may be his stomach, but the best way to a girl's pussy is through her ego—remember that for the future! Anyways to answer your question, to be honest, I have no answer! I don't do anything special except be me! Ever since I can remember I was blonde, tall, heavy-hootered, and loved to prance around naked! Then when I got a bit older I found out I loved to suck cock and easy pussy as well! So it all just happened naturally for me, this is what I look like, and how I act! I guess it all comes down to what's in my genes—that's my genetics, not my pants silly!—so this is how it turned out! I don't really eat, drink or exercise or do anything everyday that I can pinpoint for my sexual success, I just get up every morning and go for it! And I'm glad you like the results!*

Egg Fu Hung?

Are there any big porn stars coming over to the US from China? I remember back in the early '90s when the commies

How-to Give Her A G-Spot Orgasm!

21042

G-spot mastery can make your girl go crazy, provided that you know how to hit that spot. "Most of the women we've surveyed report that G-Spot orgasms are much deeper and more satisfying than other types of orgasm," says Donald L. Hicks, author of Unleashing Her G-Spot Orgasm. Here's Hicks' guide from G to O...

Where the hell is it?

"The G-Spot is one-and-a-half to two inches inside the vagina. If a woman lays on her back, and her partner slides his index finger into the vagina (palm up), they will first feel a "rough" area about an inch inside the opening. Just beyond that is an area that feels like a smooth "slope" that eventually bottoms out and begins to curve back inward, toward the cervix. The G-Spot is located about mid-way on this slope, middle knuckle depth," says Hicks. If you can't find it with detailed directions like that, go take an orienteering class.

How do you know when you ve hit it?

"Because the G-Spot is not actually in the vagina, but is felt through the vagina wall, the spot is rarely noticeable unless the woman is aroused and the spot swells or is swollen," says Hicks, so work her up before you start searching for it. When you do find it, Hicks says it can feel like a small bean beneath her flesh or as big as a quarter. Once you start massaging that spot with your fingers (put your thumb on her clit for added sparks), your lady friend's response should tell you yes, you've hit it.

Why bother?

"While orgasm occurs in the brain, stimulation to the G-Spot follows different innervate pathways to the brain, which may allow a previously non-orgasmic woman to become orgasmic," says Hicks. G-spot orgasms are often described as more intense and can lead to porno flick style girly ejaculation, which can be hotter than hell to induce and watch. Besides, Hicks says that with a g-spot orgasm there's no faking it, her whole body cums!

Porn News From Your Porn Authorities!

Running Out Of "Pretty Little Latinas?" Hard-ly!

Fans of the half-decade-long running Brazilian sex series "Pretty Little Latinas" produced by the Los Angeles-domiciled Third World Media might have become cunt-cerned lately when it appeared the hard-core title had tapped out just before reaching it's 20th incarnation. While dozens of US porn outfits have shot gonzos here and there in South America for over ten years, Third World has been one of the few XXX pushers that has stuck with the Brazilian motif consistently, putting out all sorts of south-of-the-border sex offerings since 2001 ranging from anal sexers, to she-males to big boob fetish fare. But South American, and especially Brazil can often be tricky places to producer hardcore porn, with local laws, customs, and politics often being just as important as finding the right babes to suck cock. But while Third World Media's production in Brazil might have to make adjustments and re-schedulings now and then, "Pretty Little Latinas" as well as numer-ous other of their similiar titles will continue regardless. "The country remains a gold-mine for finding hot talent, getting the girls is the least of the worries down here," says a local Rio De Janeiro porn industry director who works with Third World Media on a regular basis. "But after all this is the third world, and you have to just go with the flow sometimes, but the filming goes back on before long no matter what."

Kelly Erickson To Fuck Freely!

Buxom blonde bombshell Kelly Erickson who has spent virtually all of her porn life as an exclusive contract girl—2002-2005—with Los Angeles-based Metro Video is now officially an ex-Metro property, but plans to keep on fucking as a freelance pro-fornicator. The now-25 year-old Minnesota native had barely done some two dozen XXX vids in her years with Metro and it's offshoots starring in titles like "Very, Very Bad Santa," "Virtual Dreams," and "Blowjob Fantasis 21," and rarely venturing into any seriously extreme sex acts (like anal). But now that the shapely bubbly 36DD hardcore honey is calling her own money-shots, the word on the X-street is that she will not only be fucking more, but more wildly. Metro nor Kelly had any comment on why the two parted ways.

Skin Two Rubber Ball Still Bouncing After 15 Years!

While scores of porn conventions, fornicative fairs, and XXX erotic events tend to come and go, one of the oldest continually happening (and successful) adult confabs, the London, England-based Skin Two Rubber Ball Weekend is now about to venture into it's 15th incarnation as the top such fetish sex to-do in the world, with no finale in sight. Started up as a party just for fetish-oriented friends and a fledgling magazine with the name Skin Two,the four-day shindig now attracts thousands of kink-in-kind types who come from all over the planet to revel in leather, lace, stocking, high heels, rubber suits, and what-ever else floats a fetishist's boat. A convention floor full of edgy exhibtors, nightly parties and demonstrations, and the centerpiece of the half-week of debauchery, the Skin Two Rubber Ball all-night bash rounds out the affair. Anyone over 18 can attend, and start off by reading up on the Skin Two Rubber Ball weekend at their website, www.skintworubberball.com.

Is 20 Years of Rocco Siffredi Enough?

As world famous porn stud Rocco Siffredi nears his 20th anniversary of hardcore humping in XXX, the question arises whether the forty-something Italian-born woodsman will cunt-ine on sexing, or not? In fact as the veteran of more than 400 sex roles since 1987 (and more than 140 directing credits) looks back on his fabled carnal career as one of the most respected male porn stars in all of hardcore history, he could be just as easily satisfied with his legacy, as wanting to keep pushing the erotic envelope. Rocco has actually been veering in and out of permanent retirement from doing sex scenes for several years, devoting more of this time to directing, and pursuing personal interests. His website, www.roccosiffredi.com, doesn't give much of a hint as to his plans, and between various announcements and rumors about his future, unclear would be an understatement. Nevertheless, with hundreds of his performances in constant public circulation, and his fan base as rock-solid as his cock always was, Rocco will always be revered as one of the best, if not the best, as what he does.

Janine Makes 100 Count—With Two Cocks!

By some counts longtime XXX lady legend Janine's 100th porn flick was the recently released Vivid tape "Janine's Got Male," and whether or not it was, it did mark a cock-taking milestone for the formerly lesbos-only performer—with Janine completing the long journey from no-cocks, to two cocks. The tall busty blonde made her name in the gash-for-cash racket early-on in her carnal career, starting off in the sucks-for-bucks biz in 1992 as a 36-24-36 Vivid contract girl, and becoming a star, without ever being fucked by a man. She did finally take cock in 2004, and after several stars and stops with different video outfits, and making or re-retiring from porn, Janine settled back in with Vivid as a nearly 38-year old pornster, and now with dicks—two of them. Directed by the many-award winning Paul Thomas, "Janine's Got Male" has her in her first-ever double-dick scene, being screwed by Evan Stone and Dale Debone, which as a "bonus" has Evan choking her as well. So with Janine slowly but surely giving it all up—over a nearly-15 year period—what can be next? A gangbang? Probably not in the near future, but if Janine is able to take her sweet time with the concept, as she did with the cock-thing, well, then a granny-stage cluster-fuck might indeed be in offing, in another decade or so!

The Jill Kelly Saga Cunt-inues...

No one has heard or seen much of mega-busty blonde sex star and erotic entrepreneur Jill Kelly for the past year, as she has taken a decidedly low-profile in the wake of the bankruptcy and dissolution of her longtime namesake XXX outfit, Jill Kelly Productions (JKP). Jill's carnal and personal careers have taken more ups and downs than most yo-yo's, highlighted a dozen years ago when her then-porn stud husband Cal Jammer committed suicide just a few feet from her, then her stunning rise to the twat heap top as CEO of JKP, and now, back to square one in the sucks-for-bucks biz. But now comes word that Jill might be making yet another cum-back, with word from her current husband producer/director Corey Jordan, that not only are the two apparently back together after a break-up, but she is on the professional mend as well.

"She was on the production side and she wasn't in on the business side so a lot of people blame her for the company going under, but she had nothing to do with it. It wasn't her company... It just had her name," Jordan recently told the porn industry trade mag, the Adult Video News (AVN). Jordan added that Jill had been "traveling between Los Angeles and Las Vegas developing projects in recent months" and he expects her to return to XXX strong. "I'm still in love with her and I know she'll be back and will be bigger than she's ever been... she's my inspiration." In other words, stay tuned for the next chapter of the Jill Kelly saga.

Ron Runs The

Hello! Hello! And hello again! Guess who's here, for the very first time ever in the pages of ***SWANK*** as their co-publisher, and sex-clusive monthly columnist, yes, that's right, drum-roll please, it's yours truly…Ron Jeremy! Finally! God, I thought I'd never shut up! But this is it, all my friends, fans and other ***SWANK***-lovers out there, as Mary Carey and I get things rolling as part of our takeover of ***SWANK*** and the New Porn Order! Well, as we promised you when we made our grand arrival announcement last issue, me and Mary have a lot of great XXX things planned for ***SWANK*** in the up-cumming months—a hell of a lot! But we'll let our X-actions speak louder than words, so don't miss an issue or you will definitely be fucked! For now though let me introduce you then to my new personal monthly column, "Reality Check With Ron Jeremy!" where each month I will be sharing with ***SWANK*** readers—and ***SWANK*** readers only!—the inside hardcore scoop on my worldwide sex-soaked ramblings. That's right, wherever I go, ***SWANK*** goes, whatever girls get naked for me, get naked for ***SWANK***, and whatever hot chicks suck my cock, suck ***SWANK's*** cock! And with the planet's premier porno paparazzi Marc Medoff from the Adult Press Service (APS) at my side at all times to take the inside pix, you dudes won't miss a single slit, slurp, or swallow! Sound like a plan? Fucking-A! So let's get started!

What was the most XXX-exciting thing I did this month? That's easy! (I'd say that's "hard," but then again, I'm always hard! Ha! Ha! That's a good one!) Seriously though, I am here to report that I was part of hardcore history in-the-making, as my good friend and buxom blonde fuck-buddy porn actress Summer Haze took on the world lesbian reverse gangbang record—yes, there is such a thing—and became the brand new champion of that porn industry genre! Hey, I don't make this stuff up, I just show up when there's babes to be had, and man were there babes at this X-rated shindig! It all began recently one weekend morning in a rundown warehouse in a Los Angeles suburb—where Summer was the star of the about-to-be-shot "The World's Biggest Girl-Bang." That is, Summer wearing a motorized strap-on dildo to fuck a long line-up of gals wanting a piece of the action—and me brought in to work as the MC—what a carnal combination!

Of course there have been all sorts of gangbang-type videos produced since the early-'90s when cluster-fuck vids first became universally popular. The first big gangbangs produced by Metro Video—my exclusive porn video contract producer for many years—stunned the porn-producing world at the time—with porn stars Anabel Chong, Jasmin St. Claire, Houston, and others taking on hundreds of cocks in one day, and I was at them all of course, cock in hand—and cunt! But Summer was out to set a special kind of record—without the pricks—wearing a camera-equipped strap-on dildo, banging only girls, and letting only a few lucky guys like me to act as "fluffers" off-stage to get them ready for the dildo-fuck. So last year she came up with a plan, and decided to do whatever it took to "make it happen." For the better part of a year Summer and her hubby/producer Craig Valentine have been working both the marketing/public relations and the casting angles for Summer Haze Productions, signing girls up for what was going to be an all-day, all-girl orgy, with all the babes having a shot at getting fucked by Summer and her special dildo.

So finally after months of media build-up and hardcore

hype the day of the event finally arrived, with Exotic Studios in Chatsworth—a major porn-oriented township just outside of Los Angeles—the official location, and at 9 a.m. everyone started to arrive. The girls, the crew, press, the girl of the hour Summer herself, and of course me!—well over 100 people in all, crowded into the studio. It was such a significant undertaking that it took two directors to run the show—Craig, along with well-known porn industry director Rob Spallone, but within a couple of hours the set was built, the paperwork completed, and a lovely-looking dildo-wearing Summer ready to be rocked. "Bring me my first pussy!" she kept yelling, "I want to fuck!" And fuck them she did. Sporting a specially designed custom-made Doc Johnson-invented strap-on harness dildo, it was chosen specifically for it's tight interlocking mechanism, and then modified with a new technology called DPOV—"Dildo Point Of View"—with an internal micro-camera that looks down the shaft of the appliance as it penetrates the pussy or asshole. This let the camera record the actual internal fucking as it happens, as well as web-cam the girl-bang live on the internet to subscribers to the show. In other words, for perhaps the first ever in fornicative history, porn fans got to see "live" the inside of a chick's innards just as the faux penis sees it. So for the raincoat crowd at home the shooting of the gangbang was as "behind-the scenes" as is physically possible.

But for those in the studio the action wasn't too shabby either, with Summer fucking mouths, pussies, and assholes non-stop as each girl jumped on the large bed that served as the "stage," while off-to-the-side the set was crawling with all kinds of porno celebs, LA characters and all sorts of amusing media-types—with all of the off-set antics being recorded for backstage action bonus material to be included on the eventual six-hour DVD version of the group grope.

For a while though, with the crowdings of porn chicks milling around, the large production crew, the ever-increasing pack of adult media, and all sorts of hangers-on packing the building, at various points—man, it looked like it might never get started! And I was getting horny! So you know what I did, I started fucking! Why not? Somebody needed to get this porno party started! So a few of the gals and meet just got it on! Unfortunately though pretty soon Summer reminded me we had a movie to shoot, so I pulled myself together and got into my "role"—that as the master-bater of ceremonies, and I quickly called for a moment of silence to mark the auspicious occasion—and then told everyone to get it on!

"Finally, let's fuck!" yelped Summer as she eyed the first gal on line, "I'm going to fuck you like a wild animal!" Of course Summer, a part-time porner who

Reverse Gangbang!

does her X-work commuting from Florida, is no XXX newbie—but hardly a veteran vixen either. Over a half-decade in hardcore she's done more than 30 sex tapes with names like "Screw My Wife Please", "Busty Adventures", and "Kneepad Nymphos", has already been nominated for all kinds of adult industry awards—while Craig is a producer/director/actor, and he keeps things humming along running their company Summer Haze Productions, and website www.clubsummerhaze.com. But the challenge of a reverse-gangbang was a first for them both—and me!

And although I—and my penis—did my best to steal the show—as always!— the line of girls wanting to get DPOV-fucked by Summer remained the main attraction. Most the babes were newcummers, who were eager to be a part of hardcore history and then there were others from all aspects of modern porning; chicks with names like Jewels, Crystal Heart, Dana Hayes, Jordan Fleiss, Cara Lott, Kayla Quinn, Taylor Hilton, Barbi and others bounced around on the center-bed and took it in the pussy and ass repeatedly from Summer. Kelsey Micheals did a particularly hot fuck with Summer, and a gal named Sweet Pea fucked back at Summer so hard that the dildo-cam broke several times and had to be repaired repeatedly. But most of the girls were simultaneously squealing with delight and orgasms as Summer worked them all over good. And little old me? I am happy to report that I did just as well off-set "working" as well—giving interviews, interviewing others, and offering my services as a "fluffer" for the girls waiting to get buggered. Hey, anything I can do to help out a friend!

When the dust settled each of the girls got reamed three or four times in each hole, and after some half-dozen hours of taping ending around 5 p.m. a total of 91 separate "fucks" were officially recorded by nearly three-dozen girls, setting a new world female girl-bang record. In fact though Summer was breaking her old record for such antics believe it or not. It seems about four years ago Summer did 60 on-camera lesbo screws in London, England for a company called Dementia, for a movie that was released in Europe by a Dutch distributor. But since the tape was never really offered in the USA, it was really never heard of anywhere else. But no matter how you slice, it the bottom line is a hell of a lot of ladies got fucked hard by Summer and she's the new World Girl-Bang Champion. And this entire production, being distributed worldwide by Dane Productions, will already be available for purchase at www.clubsummerhaze.com by the time you are reading this column!

"The World's Biggest Girl-Bang" will undoubtedly launch Summer to a new level of fame in the XXX world. Indeed Summer and Craig, though understandably planning to take a little vacation to recover from their erotic exhorts, are already planning out their next X-rated moves—with producing new gonzo lines, feature movies, comedy sex spoofs, and all kinds of over-the-top porno projects in the works. And it is already being rumored that Summer might try to set a another world-record—this one for the number of blowjobs in one day—a "blow-bang"—as she is already known in Europe—where she used to often work—as one of the most talented cock-suckers of all time. As for me? I had a great time with Summer and all the girls, and I just want her to know that if she does wind up scheduling a blow-job fest, that I am ready, willing and able to help her practice for it! Hey, am I a pal or what? So that's the X-dish for his month guys, see you all in the next ***SWANK*** for my inside report on another XXX sex-travaganza. Know why? Because it's what I do! Later dudes!

RON'S WEIRD WORLD

GOT A KANGAROO BY THE BALLS!

The Legend Of The Roo Pouch!

Once upon a time there lived, in the center of Australia, an Aboriginal boy. One day he came upon a small kangaroo in the bush, caught it by the tail, and made a purse out of its dear little symbol of masculinity. He gave it to his girl, and she kept seeds and berries in it. Next he saw a large kangaroo. He caught it with a spear and made another purse from its thick symbol of masculinity. He gave it to his father who kept stones and things of value in it. Ever since then, male kangaroo scrotum purses have been popular amongst the Aborigines. For women, the soft pliable one; for men, the strong, wrinkled one. They became as important as one's own symbol of masculinity and were recognized as bringing luck. That's why kangaroo scrotum purses are called "Lucky Bags" or "Lucky Pouches". Lucky for the kangaroo? No. Check out www.tellmewhereonearth.com to pick one up for yourself.

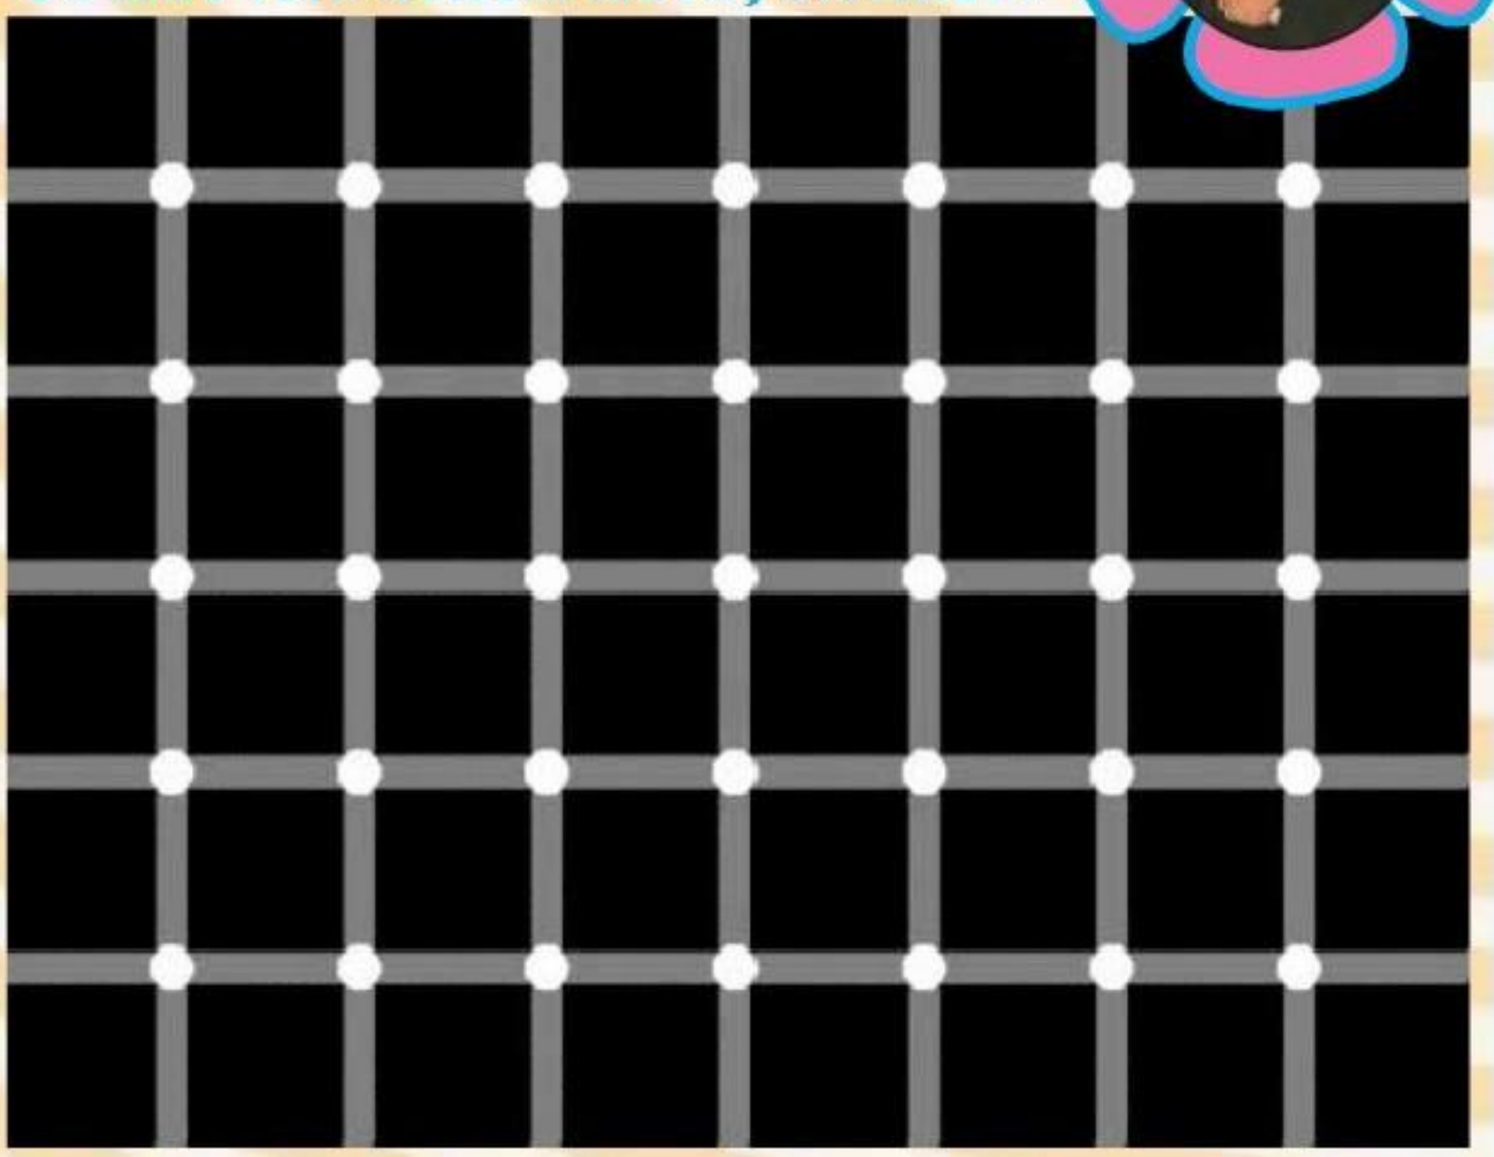
Good Defecation Dynamics

The National Health Service office in Dundee, Scotland, has recommended toilet techniques for the estimated one-third of the population that suffers from bowel and bladder dysfunction, according to a report in The Times of London.

In a four-page pamphlet titled "Good Defecation Dynamics" and distributed to clinics and doctors' offices, the NHS trust describes the art of voidance, complete with diagrams.

Here is an excerpt: But what matters most is posture: not quite balancing a book on your head, as though you were at modeling school, but at least sitting upright. "Do not slump down but keep the normal curve in your back. Keep your mouth open as you bulge and widen... You should aim to do this every time you open your bowels."

Count the black dots, sucker!



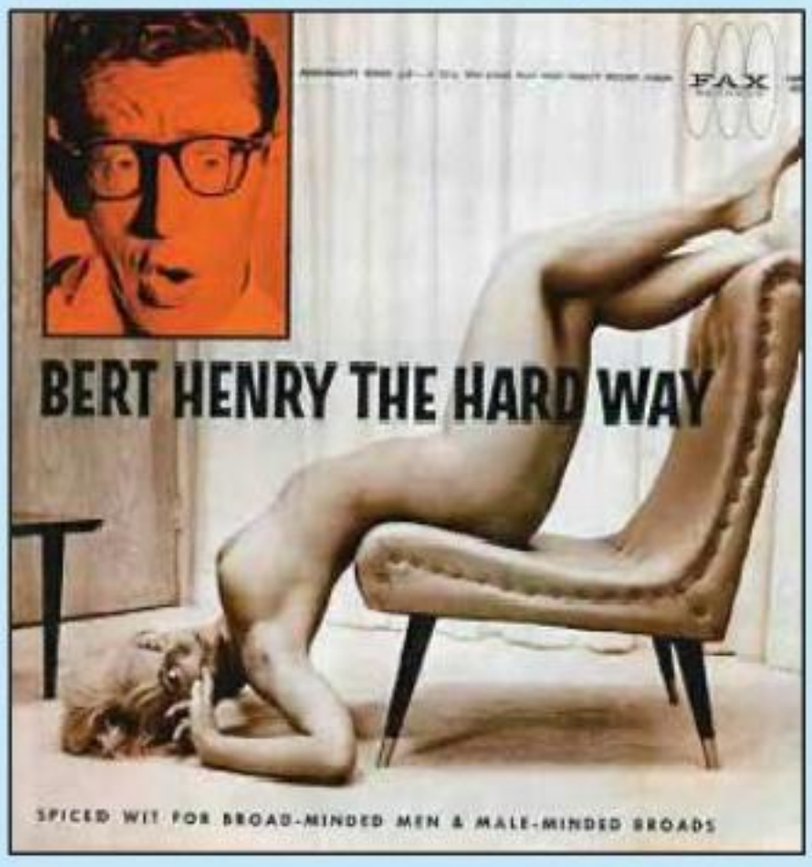
JUDGE AN ALBUM BY ITS COVER!

Bert Henry The Hard Way

Bert Henry (FAXLP 3005, 1963)

It was only 1963, a few years before the sexual revolution kicked in, so this cover is pretty controversial. Actually it may even be too hot for today's puritanical standards.

Bert Henry was known in the '60s for his racy humor, bawdy talk and spicy repartee.



WHOLESALE WEIRDNESS

SomethingWeirdVideo.com

How can I not mention this site in a column devoted to weirdness. However, if you've been dead for the last 15 years I'll give you a quick rundown on SWV. Something Weird Video was spawned in 1990 and started with a few 16mm girlie arcade loops that they packaged as compilations. Their mission was to track down the over 2000 exploitation/sexploitation films of the '30s through the '70s. They soon teamed up with the king of sexploitation Dave Friedman and the rest is history. Now they have one of the largest catalogs of ... "Every racy and taboo subject known to man can be found in our catalog. Consider it as one-stop shopping for all your exploitation/sexploitation/world of the Weird indulgences. The true video nut need not look further than here! Here's a beauty from page 17.

An estimated 1 in 4 (25%) of all North Americans has appeared on television in one way or another.

BANG! BANG! THE MAFIA GANG

Bet you didn't know Woody Allen once starred In a Seventies skin flick comedy about mobsters in Hollywood where he got his face buried between the boobs of USCHI DIGART and even had a sex scene with HAJI. Well... he didn't. But Woody-Alien wannabe FRANK CORSENTINO did. Though the poor guy really isn't funny despite being a dead ringer for Woody and having Allen's shtick down pat, it's nevertheless still a bit disconcerting to see an almost-Woody surrounded by so much female flesh and even smack in the middle of an R-rated orgy. In fact, Bang! Bang! The Mafia Gang often reminds one of the nudie cuties of a decade earlier where a comic would wander through a landscape of shapely nudes without ever getting any. It's pretty much the same thing here except that the nudity is more explicit and the fake Woody gets to nail both Haji and Uschi. Oddly, for a movie that up until now has remained rather obscure, Bang! Bang The Mafia Gang was in release through most of the Seventies under a variety of titles. Originally shot and released as Up Your Alley, the title was then changed to Bang! Bang! The Mafia Gang (aka simply The Mafia Gang), then Sex or Bust, and finally The Melon Affair. —Handsome Harry Archer

A SEX GUIDE FOR SIN CITY

Skin City

by Jack Sheehan

Part exposé, part X-rated travel guide — the ultimate insider's look at America's adult playground... Vegas.

It's a place where Midwestern couples become uninhibited swingers, where shy schoolgirls morph into sexy strippers pulling in $1,000 a night, and where randy tourists come to score at more than just blackjack and craps. What happens here, stays here — and Vegas nightlife is hotter than it's ever been before.

In *Skin City*, journalist and longtime Vegas resident Jack Sheehan goes beyond the bright lights to explore the dark thrills of the city's sex industry. Both lurid and fascinating, here is an unabashed look at the stripping, swinging, hustling, and hooking that have turned a desert gaming metropolis into the world's capital of lascivious entertainment. But more than a no-holds-barred exposé, Sheehan's *Skin City* offers a connoisseur's catalogue of where to go for readers whose tastes run to the erotic — with everything from valuable pointers from lap dancers, call girls, and vice cops to porn star Jenna Jameson's list of her favorite Vegas strip clubs. Available from HarperCollins.

Master the power of the X-Men! Obliterate enemies and objects as Wolverine, using your lethal adamantium claws and crushing brute force. As Nightcrawler, scale walls, swing from rafters and teleport through environments to surprise enemies. Shoot ice bursts and create hailstorms as lightning-fast Iceman. For even more power, utilize fury and adrenaline modes. Become a part of the X-Men movie universe! Embark on a globe-spanning conflict featuring every element of the X-Men universe — from favorite villains to famous locations such as Alkali Lake, plus the voices and likenesses of key actors from the films. Battle fierce enemies, join forces with comrades! Face off against movie villains such as Pyro, Magneto, and Sabretooth, plus added foes like legions of Sentinels. Storm, Colossus and Cyclops join forces with you in gameplay that includes melee fighting, stealth-style action and time-based missions.

Co-written by Zak Penn, the co-screenwriter of the movie "X-Men: The Last Stand", and legendary comic book writer Chris Claremont, X-Men: The Official Game immerses players in an original storyline that provides the back-story for the upcoming "X-Men: The Last Stand" feature film. For the first time, the game enables players to truly command the powers of popular characters from the X-Men movie universe as they wield and upgrade their signature powers and maneuver through unique environments designed to showcase their superhero abilities.

Available for XBox 360, PlayStation 2, Nintendo Game Cube, Game Boy, PC and Nintendo DS for around 40 bucks.
